## Our resources for you...

We have a wide range of resources for you to use — books, DVDs, videos, journals and newspapers. Online resources, (such as EmeraldEngineering, *right*) are available 24/7.

The screenshot shows the EmeraldEngineering website. At the top, there is a navigation bar with the logo and a search bar. Below the logo, there are login fields for 'username' and 'password', and buttons for 'login', 'Athens login', and 'Register'. A 'Welcome:' message follows, identifying the user as 'West Cheshire College'. A vertical menu on the left lists various subjects: '+ Advanced Automation', '+ Computational Maths', '+ Electronics', '+ Materials Science', '+ Writing for Emerald', 'Management Zone', 'Teaching Zone', 'Search', and 'Emerald Home'. The main content area features a headline 'The gateway to world-class engineering' with a sub-headline 'Emerald Engineering showcases practical and interviews, case studies, viewpoints and more'. Below this is an image of a person working on a machine. A paragraph of text describes the site's content, and a final paragraph encourages users to join the site for research, industry news, trends, and debates.

Other online resources include: CDX e-textbook (below) and Motorcyclist Magazine (left).

**Journals** available in the Learning Centres include:

Health and Safety at Work

Motor industry magazine

Autocar

Top Gear

Bike

Performance Bikes

Car Mechanics

We keep back copies in stock if you wish to borrow them. If you cannot find what you are looking for, please ask us or use the library catalogue, available at: <http://heritage.west-cheshire.ac.uk>
